

For Immediate Release

Digital Watchdog[®] Adds New Horn Speaker

The IP-enabled speaker is the latest addition to DW's SiteWatch[™] Perimeter Protection Solutions, bringing audio to DW's complete surveillance solutions.

DW[®] DW-SWSP15 horn speaker.

Cerritos, CA (May 18, 2023) – [Digital Watchdog[®] \(DW\)](#), the industry leader in digital recorders, surveillance cameras, system peripherals and related management software, announces our new SiteWatch[™] IP-enabled horn speaker. The new speaker can easily be added to augment existing and new video surveillance installations with audio alerts for deterrence, public safety, communication and improved daily operations.

This outdoor IP speaker is a robust, IP-enabled audio device that helps to proactively deter crime by enabling the speaker to respond to events in real-time with automated and manual voice and audio alerts, including music, loud ringing, voice paging and notification alerting. The IP67-rated housing is ideal for challenging outdoor environmental conditions and high ambient noise. The speaker is fully integrated with DW Spectrum IPVMS, supported IP cameras, and can integrate easily with 3rd party access control,

analytics and VoIP (supporting SIP) via open standards. The DW-SWS15 is a standalone solution, an ideal, cost-effective, scalable and flexible approach to system design and comes with DW's 2-year warranty.

"Audio is a valuable tool in a complete video surveillance system," said Mark Espenschied, director of marketing, DW. "Our new horn speaker is small but loud, adding clear, understandable alerts and two-way communication to respond to events in real-time."

Product Features:

- All-in-one IP speaker system
- Compatible with IP cameras via DW Spectrum IPVMS
- Compatible with VoIP devices (IPPBX, IP Phone) via SIP
- Support pre-recorded messages, live responses, alarms and background music
- Schedule audio alerts
- Support HPPT API for alarm-in transmit
- Web server built-in
- ONVIF conformant
- PoE Class 3 and DC12V-24V
- Wall mount bracket included
- IP67 dust-tight and waterproof to 3 feet
- 2-year warranty
